

LINDSAY & COLYN OLDHAM workshop

PART I MOULD MAKING WORKSHOP / COLYN

Colyn will demonstrate the techniques needed to construct a mould and provide useful tips on ensuring beautiful vessels and avoiding possible pitfalls. He currently makes all of Lindsay's moulds, from which she has produced homeware sold to shops like Poetry.

PART II CERAMICS WORKSHOP / LINDSAY

Lindsay will show and guide participants on how to hand build a candleholder, using slabs and coils. Decorative pieces will be made using cutters and sprig moulds. The workshop will extend into a second day, allowing for participants to assemble the parts of the candleholder.
